May 2026 Economic & Community Development Monthly Report

MONTHLY OVERVIEW:

Economic & Community Development continued advancement of strategic initiatives supporting economic development, infrastructure investment, grant administration, public engagement, and organizational operations throughout May 2026.

During the month, the department maintained oversight of active grant programs, capital projects, funding compliance requirements, reimbursement activities, and interdepartmental coordination efforts while supporting organizational priorities associated with the transition of the City's incoming City Manager and preparation of the Fiscal Year 2027 operating budget.

Significant efforts included continued administration of state and federal grant programs, coordination of Community Center renovation closeout activities, advancement of the Springvale Dog Park Redevelopment Project, support of public safety initiatives, business development outreach, and implementation of community-focused programs and events.

The department also continued management of public communications, digital services, economic development initiatives, and external partner relationships while supporting long-term efforts.

KEY ACTIVITY:

- Coordinated administration of active grant programs, reimbursement requests, compliance reporting, and funding documentation requirements
- Supported Fiscal Year 2027 budget development efforts through project forecasting, funding review, and departmental coordination activities
- Continued oversight of Community Center renovation and expansion activities, including substantial completion coordination, contractor communication, and grant compliance requirements
- Advanced planning and coordination activities associated with the Springvale Dog Park Redevelopment Project, including engineering review, grant administration, and project scheduling
- Hosted and facilitated discussions with prospective commercial developers and business representatives regarding redevelopment, investment, and development opportunities within East Ridge's Border Region and commercial corridors
- Managed development of public communications, press releases, project notifications, and community information campaigns
- Supported coordination efforts among City departments, consultants, contractors, utility providers, funding agencies, and community partners

ADMINISTRATIVE & OPERATIONAL COORDINATION:

- Oversaw grant administration activities, compliance documentation, reimbursement tracking, and began FY26 external funding audit reporting in coordination with the City's Finance Director
- Prepared ECD City Council agenda materials, memorandums, grant amendments, contracts, and supporting documentation
- Supported organizational planning and operational coordination efforts associated with the City Manager transition and upcoming fiscal year budget process
- Participated in professional development, grant administration, and regulatory training opportunities, including Public Chapter 140 compliance and TDOT Local Programs reporting training
- Facilitated procurement, vendor communication, consultant coordination, and project administration activities across multiple department projects/grant funding programs
- Coordinated economic development inquiries, business assistance efforts, commercial recruitment discussions, and stakeholder engagement activities
- Collaborated with community organizations and regional partners, including United Way, the City of Chattanooga, and educational institutions to explore future programming and partnership opportunities supporting Community Center services and resident engagement initiatives
- Coordinated volunteer recruitment and placement efforts in partnership with the Hamilton County Department of Education to support seasonal programming and community initiatives
- Coordinated regional partnership activities through participation in East Ridge Chamber initiatives, Chattanooga Area Chamber engagement efforts, and community-based economic development programs
- Continued refinement of internal administrative processes related to project tracking, documentation management, grant administration, and financial reconciliation
- Maintained communication and coordination with regional organizations, chambers of commerce, educational institutions, state agencies, funding partners, consultants, and external stakeholders to advance economic development and community initiatives
- Began implementation of the City's economic development and grant management software powered by HubSpot
- Coordinated community engagement initiatives, employee recognition activities, and organizational events including Public Works Appreciation and Memorial Day employee appreciation activities

INFRASTRUCTURE & CAPITAL PROJECT COORDINATION:

- Continued oversight and coordination of the Community Center Expansion and Renovation Project, including closeout activities, contractor coordination, and grant compliance reporting
- Coordinated interdepartmental and legal review efforts associated with securing access easement agreements necessary to support long-term maintenance and operation of the Spring Creek Litter Boom Project
- Advanced engineering coordination, planning efforts, and funding administration associated with the Springvale Dog Park Redevelopment Project
- Supported implementation of Camp Jordan facility improvement initiatives funded through Community Development Block Grant resources

- Continued coordination of transportation, roadway safety, and infrastructure improvement initiatives involving local, regional, and state partners
- Facilitated communication and coordination among contractors, engineers, utility providers, and City departments to support project progression
- Supported Brownfield Assessment activities and redevelopment planning efforts intended to identify future economic development and investment opportunities
- Assisted with administration of public safety-related capital and equipment projects funded through state and federal grant programs
- Assisted Parks & Recreation staff with business outreach and sponsorship coordination efforts supporting planning activities for the 2026 East Ridge Fall Festival

DIGITAL SERVICES & WEBSITE DEVELOPMENT:

- Managed content administration, public information updates, and ongoing maintenance activities across City-operated websites and digital communication platforms
- Continued oversight of ADA accessibility initiatives, content standardization efforts, and website governance practices
- Supported administration and enhancement of the East Ridge Animal Services website, including service information updates and digital resource management
- Coordinated digital communication efforts supporting public awareness campaigns, project updates, community events, and municipal operations
- Managed website vendor communication and project coordination activities related to the City's website modernization initiative
- Facilitated administrative review and transition planning associated with the temporary suspension of active website redevelopment activities
